Dear Sir or Madam,

On behalf of Premise Data Corporation, I want to thank you for your interest in our research. Premise Data is a technology company based in San Francisco, California, USA that conducts global market research. Premise Data has worked with organizations including Google, the World Bank, and the United Nations Development Programme to improve businesses and community quality of life around the world. Past projects have helped Premise's partners understand inflation, food security, and economic development in major cities and rural areas.

The purpose of this letter is to provide a written explanation of the objectives of Premise's research and our written approval for this Premise Contributor to conduct research using the Premise app as well as to thank you in advance for your collaboration. To better understand how we are collecting this information, our Contributor can demonstrate the app's functionality. We also invite you to visit our website for more information: www.premise.com.

If you have any questions or concerns about the activities carried out by this Premise Contributor, we ask you to contact us at support@premise.com.

Thank you again for your support.

Best Regards,

Premise Data Corporation
